Purpose: To require North Vancouver FC players to wear the club uniform when representing North Vancouver FC

Definition(s): NVFC – North Vancouver FC  
Club Uniform – jerseys, shorts and socks which have been approved by the NVFC board.

Background: Teams are required to wear the NVFC club-issued uniforms to:

- avoid financial pressure on individuals to buy an alternate uniform
- avoid dilution of the club's image
- reinforce loyalty to the club

Policy: All NVFC teams are required to wear the club-issued uniforms when playing games as a NVFC team, including but not limited to intra-district and league games, cup competition and tournaments. Should a referee request a NVFC team to change its colours due to a conflict with the opposing team colours, then the team will wear any club approved alternate jersey or pinnies.

Date approved by NVFC Board: December 1, 2010
